The Story:

Well, sadly Meg was not available, as she had popped back to Poland for a short break. However on her recommendation I booked her good friend Samantha. And what a good choice! Whilst I normally prefer the slightly bustier lady Samantha was excellent. Everything, and I mean everything is on offer, she is a sound technician who clearly adores her chosen career. I sampled the full PSE/GFE mix which was an absolute delight. I can not recommend her highly enough...and I am saving up for a full two girl with her and Meg....a report to follow, so watch this space!
