### The Premises:

Lower flat in a nice street close to the underground.  
Well tended and clean.

### The Lady:

Attractive, Experienced and encouraging. Very good body, slim and shaped.

### The Story:

Fair skinned with nice boobs and an open, pleasant manner.  
We soon got down to basics. Fondling each other and stroking etc.  
She gave me a wank and I was soon hard. I just had to do it.  
So I got my pecker covered and plunged in. Fast shagging and I had to stop for a breather.  
Changed to doggy and hammered it home, finally coming.  
Tara knows what she is doing and this was a very pleasant experience and well worth the money.
