### The Story:

A bit of a strange one, to get to meet "Ginny" I had to meet her "friend" who was a stout asian chap down the road and he took me to the flat.

When I got in I was pleasantly suprised with Ginny as she was a very pretty girl and was waiting for me in some nice lingerie.

An obligatory back massage, she turned me on my back and gave me what I must admit was the best oily hand job that I have ever had. A brief blow job and she demanded I fuck her, I obliged and gave it my best shot. She did ask me to come on her tits which I did with great pleasure.

She didnt watch the clock and we had a bit of a chat lying on the bed afterwards. Not the best english but she could get by and had a good sense of humour.

Recommended.
