### The Premises:

Comfortable flat in anonymous block not a million miles from the magic roundabout.

### The Lady:

As per website except perhaps a tad fuller-figured but not by any means plump, just nicely curvy. Face blurred on website as usual but can confirm that Pia is a very very good-looking woman. Great personality, friendly, fun, intelligent, interesting. Although Danish, she speaks English better than quite a few English people of my acquaintance.

### The Story:

Had a fabulous hour with her. A pleasant chat to begin with, and then we got going, and finished by chatting, caressing, kissing and cuddling. Overran the hour and only finished because she had to do the school run. I could have stayed there forever.

I don't normally go into specifics these days. Anyone reading my reports will know I'm a bit of a GFE preferrer. But I have to say that Pia's gentle, sensuous, oral skills were fantastic. Also, as I'm not the handsomest of men, the passion with which she kissed me really took me aback and made me feel, for that short time, like a young lover again.

All in all one of my best punts ever. Still struggling to get it out of my mind and concentrate on work. Perhaps it's because I can't quite find the words to do Pia justice.
