The Premises:

As previously described clean, warm and newly decorated parlour in Fenton. Parking is available across the main road. Private rear entrance with high wall to give discrete access. Welcomed by maid and invited to meet "the two girls". Gabrielle was tall mixed race and Jordon a tall leggy blonde mature lady. I selected Jordan. Had a shower in a new electric shower cubicle.

The Lady:

Jordan I would say is in her forties. Bleached blonde hair and modified boobs(?) - which felt natural but there was some scarring under them. But firm body, flat stomach and smelled fresh.

The Story:

Whilst she gave me nice back massage we talked and got to know each other. I think it's really good when WGs ask your name and ask about job, hobbies etc - much better than just being treated as a piece of meat. Moved down to tickle my arse and balls. Then asked me to turn over. Started to fondle her tits. Moved to kiss her but she moved so that only her neck was available. Started to blow on my cock. I asked if she did OWO she said no but did do anal. Declined the A as not sure I can deal with that much friction on my dick. I was a little dissappointed about no OWO due to the reports of other girls at the parlour - but respect it is her choice. Having said that the OW was pretty good and seemed to last for ages. Then doggy which we both enjoyed. Over to mish to finish. Nice that she put both legs over my shoulders and squeezed her hips together. Again she seemed to enjoy proceedings - I certainly did and shot my load. Showered, dressed and left with a peck on the cheek. Kind of standard punt but enjoyable nevertheless. But for ?40 great value.
