The Lady:

Don't be put off by the web pictures. No-one looks that perfect but Maxine comes very close. Definite Wow factor as she enters the room. I often favour mixed-race girls so I was pleasantly surprised that she is half swedish and half norwegian :) Another combination to tick off my list. Once a trainspotter always a trainspotter! Not at Annabella's very often so I considered myself lucky to have caught her.

The Story:

DFK standing plus the usual mutual all-over feel to break the ice. Had to ask her to kick off the heels as she is quite tall.

I sat on the bed in front of the mirror while she knelt on the floor to give me OWO with my eager balls treated to just the same fondling, kissing, licking and sucking onslaught that old Sir Jasper was enjoying so much. Like a dream come true from such a sexy young girl.

Somehow I managed to tear myself away from this and move onto the bed proper but could not resist a further bout of OWO and tit f*cking before we graduated to a fantastic long session of cowgirl with those lovely big breasts in my face and delicious nipples in my mouth.

Cowgirl was then reversed which was a sensational feeling in that muscular pussy. I nearly lost it when I saw an image in the mirror of some lucky b*stard's swollen nuts hanging down below that incredibly sexy torso. Ejaculation management was definitely called for at this point and I had to beg Max to stop and transfer her affections back to my balls for a while as although I found this extremely horny it doesn't make me come.

As soon as I felt I could survive it we switched to doggie - absolute heaven in such an athletic body and tight pussy. I soon needed another change of position to avoid losing it and we indulged in a final sessions of mish with Maxine's legs in the air for maximum penetration.

I would have gone for CIM but this is not on the menu. Then I thought - I'm bburied deep in one of the sexiest girls on the planet who is pleasuring my balls with her naughty fingers at the same time. Why not just let go right here and now which I did to give myself the bliss of totally empty balls followed by a short chat as we dressed.

What a punt !
