The Premises:

Clean and tidy. Slight smell of cigaretts at the entrance. Nice, safe area, 10min walk from Paddington station.

The Lady:

Beautiful blonde (not real), large enhanced breasts (perfect size) and slim figure size 8 waist. Pictures on website are accurate, and that old cliché - she looks even better in flesh.

The Story:

I was after OWO and CIM and receptionist said she was "very open-minded", so I decided to book Cassandra.

When we got down to business there was no OWO and CIM on offer, only a mechanical routine so you could see how disappointed I was. She checked her mobile a couple of times, but she apologised - I paid her to spend time with me, not with her mobile. I had to initiate round two (which she reluctantly accepted), but gave up in the end as I was already disappointed. Had a 10 min chat and left 15 min early.

She's here for the money guys. Unfortunately there was no enthusiasm to please. It's a shame because she's real pretty and could do very well if she was more open.

On the positive side she can hold a conversation, speaks very good English and has a sweet nature to her.

Overall it was a very disappointing punt for me, but not saying she's not worth a visit. Those who like a standard service should visit.
