The Premises:

A very small but very smart flat in a very pleasant block. It felt extremely safe and the receptionist paid no attention.

The Lady:

VERY beautiful - her website is honest and she is absolutely stunning. I was attracted by the photographs on her well designed site, and she did not disappoint at all. She has a lovely young body - flawless skin which looks as if has been polished. she is slim, fit and very charming.

The Story:

I have to say that I don't usually stray into the expensive end of the market, and when I have I have found that beautiful young women are often more interested in looking at themselves in the mirror, and make me feel the bald, dumpy, dirty old man that I am. Belle was absolutely lovely and revealed more knowledge than a young woman of her age should have(!) but was polite and very accomplished. No details, except that she clearly enjoyed receiving oral as well as giving OWO very sensitively. If I could afford to spend more time in her company I would, and would love to see her with her friend, but I have to be realistic. She is a very special and honest young lady and deserves to be treated as such.
