The Story:

Ella welcomed me with a lovely smile and a kiss on the lips before we got down to some DFK whilst she undressed me. She then instructed me to lay on the bed so that she could treat me to some OWO, where I got to experience her incredible rapid fire tongue which soon had me approaching climax. I asked if she'd allow me to cum on her beautiful breasts and she smiled, lay on her back then pushed her breasts together before telling me to tit fuck her which I gladly did!

Whilst I enjoyed a cuppa Ella went next door to have a quick shower before returning to give me a nice massage during which we had a chat and a laugh. She was soon making a move for my revived manhood though so we moved into 69 position. Ella then slipped a condom on me and applied some lube before we had sex in mish, during which she started moaning in her native Spanish which was a nice touch, followed by cowgal and doggie positions.

As our time together was about to finish Ella once again treated me to her terrific OWO technique which was highly pleasurable even though I was unable to cum again quite so quickly, I will have to make sure I book further in advance next time so I can get a full hour with her.

A highly enjoyable, raunchy GFE which helped me unwind after a stressful week.
