The Premises:

La Maison in Bury, in the Liberty Suite.

The Lady:

Thirty year old Norwegian girl. Girl next door with a wicked sense of humour, great conversation and a really sexy way about her.

The Story:

Booked her on the reputation she has from her previous time at LaM plus her interesting posts and new reports. Thought that this could be a decent session. Had to wait a while for her to finish, so was running 10 mins late or so. First look of Belinda was with her wrapped in a towel straight from the Liberty suite shower. As many have described she's the typical girl next door. You wouldn't clock her as a stunner in the nightclub, however, she does have a certain thing about her, hard to pin down what it is though.

I eventually got the booking started and followed her up the stairs to the Liberty Suite, not been in here before and it really is a punters paradise. Fondled her nice arse as she showed me the way, and straight into the bedroom. Mirrors, high ceiling, big big bed and some sort of ropes hanging from the beams.

She gave me a kiss, no tongues, before sitting on the bed, and dragging my cock out of my pants and sticking it down her throat. No messing with this girl.

We gradually undressed each other going from kiss to owo to 69 and Belinda's body does not give away her 30 years. It's the body of a 20 year old, firm, with great perky nipples. She has a tattoo on her lower back and deck, but apart from that no enhancements.

She rode me reverse cowgirl, I fucked her for a long time in mish trying to keep my love juice in. Went for a session in doggy and really got to grips with her great arse.

Finished with her giving me owotc and dumping a load in her mouth. Her cute Norwegian accent is the icing on the cake with this top girl.
