The Premises:

Safe, clean flat close to the tube station. Parking also very easy on street. Decent shower and the bedroom was clean but functional.

The Lady:

If this isn't too stupid a thing to wriet ... Julie is bigger than she looks in her pictures ; quite tall - 5'8" ish and nicely proportioned. A friendly face too. I found her very attractive.

The Story:

Been wanting to visit Julie for a while, as she appeared to be a willing and uninhibited lady. She did not disappoint, from the moment I was out of the shower, she quickly got undressed and started playing with, and then sucking, my cock, andvery nice it was too. i returned the favour, and fairly soon we decided to fuck. Missionary, doggie and cowgirl with the finale being me finishing in her mouth as she played with herself.

Very enjoyable and great vfm. I would love to be at one of her parties
