### The Premises:

Very nice place close near good parking and not too overlooked by neighbours, seemed a better part of town than other bits I've been too, shower

### The Lady:

Ria was a more mature lady and her friend who's name i cant remember (Cara?) was younger and very slim, both were friendly and gave the feeling they enjoyed there time with me.

### The Story:

Its been a while since i last had a punt so i treated myself to 2 girls together and it was really good fun. i loved watching the slim girl give Ria a good licking and I fucked both of them from behind whilst they kissed each others breasts which was a huge turn on.
