Average height, website description accurate as to all stats and photos are accurate, but do not properly show her lovely smile nor reflect just how pretty she is in person and her gorgeous body.

The Story:

Cassandra greeted me at the door with a wonderful full smile, happy face, with a sweet innocent look, yet somehow coy and shy at the same time, while still being sexy and alluring at the same time. She has a lovely soft gentle accent that beckoned me to follow to the bedroom, which I readily did, already feeling excited, following a lovely view from behind with Cassandra wearing a skimpy matching bra and knicker set. After the usual exchange of pleasantries we quickly got down to business, starting with some passionate kissing and Cassandra is a hot and horny young girl, that genuinely seems to enjoy what she does and get really in to it. I couldn't wait to unwrap that gorgeous soft body and explore it all, kissing her all over and smelling and feeling her soft skin. She responded well and is passionate, yet soft and gentle and the right moments. She has a magnificent pair of breasts that you just can't stop playing with while running your hands down her young firm body, and what a sight they are while dining down below, which got her very wet. After round 1 we had a little chat and she is a sweet girl, with good english and fun to talk with while recovering for round 2. Round 2 in several different positions, at Cassandra's cheeky suggestion, each enjoyed to the full, before collapsing exhausted, hot and sweaty. I only wish I had more time to enjoy such a lovely young girl that tries hard to please, makes you feel relaxed and wants to enjoy herself with you. Needless to say I will be back, thank you Cassandra!
