The Premises:

A beautifully-presented and stylish apartment with spectacular views of the Thames & the City of London. Very nice area and safe.

The Lady:

Jennifer is a beautiful and very sexy woman - even better looking than the photos on her website - with a lot of style and a delightful personality.

The Story:

It is very difficult to put into words a wonderful sexual experience with a woman who is as gorgeous and hot as Jennifer is but I will try.

Upon arrival at her apartment, I was greeted by a vision of loveliness in very sexy attire. After I had a quick shower, followed by a session of deep French kissing - Jennifer is a wonderful kisser with soft and yielding lips - we stripped off and moved to the bed. There followed a lengthy period of intense lovemaking, which included delicious (for me) oral on her - something she clearly enjoyed very much - sublime oral without and sex in various positions, Finally, Jennifer again took me in her mouth and I had a delectable orgasm. We then took some time out with a cup of green tea and a chat - she certainly is a very interesting woman who has led a fascinating life in a short period of time - before round 2.

This next session was even more enjoyable than the first as we became more used to each other. It involved more deep French kissing and energetic sex in various positions for a long period of time before I had another glorious orgasm whilst taking her from behind. She has such a lovely bum and back that I found it very difficult to control myself in that position. After another chat, I left feeling totally satisfied and with a huge grin on my face. Jennifer certainly knows how to make a man feel special and I can't wait to see her again.
