The Premises:

Place just outside the city centre. Easy to get to, off a fairly quiet street. Room was well decorated and clean, but only one of the two rooms has a shower and the room I was in wasn't it! Also, no toilet on the floor with the rooms on, so had to go downstairs and through the "office" area.

The Lady:

OMG Stunning! Long brown hair, slim, pert tits, great pins and a lovely cute bum. Chelsea is also very attractive facially. Very cute with a cheeky little smile.

The Story:

I'd been trying to meet up with Chelsea at her place in Leicester but she's been having some difficulties with her phone and internet connection since moving in, so getting a meet sorted out was proving difficult. However, I took a gamble on her place in Derby and she was free.

Chelsea was chatty. Not too much but enough to keep things moving on. This is a good thing, as I can be a little quiet in the room. We started off with a quick relaxing massage followed by some lovely OWO. Plenty of kissing, licking, ball sucking and deep sucking. Then on with the mac and into doggie. We had agreed A-levels, but after the initial doggy, didn't make it that far, as I came rather abruptly in Chelsea's lovely tight pussy.

More chatting and another oily massage while I recovered and it wasn't long before Chelsea was asking to take me back in her mouth. She sucked me back to life with plenty of deep throat and gorgeous eye contact before commenting that she knew I was ready again when my cock hit her tonsils! Covered up for mish, followed by more doggy before the main course. Anal in doggy was amazing. Nice and deep, with Chelsea making all the right noises before moving back onto the bed for an oily handjob to finish over her tits.

I mentioned to Chelsea that I had never seen any girl twice and she asked what she needed to do to get me to go back. The vision of me standing behind her fucking hers gorgeous arse did the trick and I will definately be looking to meet her again when funds allow. Hopefully, at her Leicester flat, which Chelsea says is much nicer than the place in Derby. I just hope her phone and internet

problems are sorted by then!

Thanks Chelsea, "Old Man" Jon x.
