### The Story:

Phoned Bella one evening and sorted an hour. Directions were very clear and mr.satnav took me to the door.

Welcomed by Bella in her undies and we spent a few minutes having a drink and chatting. Then on with the business!!

Bella can kiss for England and was seriously affectionate. Following inspection I got some first class owo , then covered up and we enjoyed a first class fuck.

Never felt rushed and I hope to return soon.

Before I left Bella introduced me to her friend , Dya , another slim brunette - equally lovely.
