The Premises:

Pleasant enough parlour but you have to stand in the vestibule until buzzed in and hard to hear the intercom over the traffic. Felt a bit exposed! The room was clean and I managed to get the local radio turned down - a DJ prattling is a real turn-off for me

The Lady:

Beautiful tall slender girl with long dark hair, a very pretty face and a cheeky smile. Enhanced plastic boobs - some peoples' cup of tea, not necessarily mine. Well tanned from recent trip to Goa. Chatty and pleasant. Charged an extra ?20 for a GFE which she siad included lots of DFK, which was more or less absent. Also offered reverse oral for ?20 and OWO for ?20.

The Story:

She tired relatively easily during cowgirl and I think needs a little time in the gym! She seemed to enjoy masturbating while lying next to me, which was pleasant and novel. Wanted to get me inside before I was ready and I think she likes shorter appointments. Doggy was good. In summary, stunningly pretty, nice attitude and very pleasant company but the service needs to be a little more personal. I would come again but avoid the costly and only slightly-delivered extras.
