The Premises:

Flat in the middle of shops. The area is popular but I felt safe. The room was clean. And I suppose I was lucky and got the good room (see 97383)

The Lady:

Eastern european type 20yo, fake blond. Overall nice, if a bit on the plump side.

The Story:

My first punt ever (apart from thailand), so I can't really compare. Found about her in this report 97383. OWO 5min then she put a condom with her mouth and rode my cock. I then took her and went on top until I came. After a chat, she offered a massage which was very well done and relaxing. She then asked me to massage her too which I did and then I went for round 2 and ended wanking with her fondling my balls.

Nice experience overall
