The Premises:

Clean flat above a shop on the Uxbridge rd Hillingdon almost opposite side of the road to Topps Tiles. Easy access at the rear! You may have to park down the side roads as the parking by the shops can get busy.

The Lady:

White girl with tanned skin. Early twenties, pretty face. About 5'4" and decent size tits. She says they are 'C' cup but I guessed 'D'. She should know though. She buys the bras. She's not English. Probably Eastern European.

The Story:

Money was exchanged and she offered most services including anal & OWO with CIM. I opted for OWO & CIM. I didn't ask for sex which I'm sure is included. I had a tremendous blow job. One of the best I've ever had. she applied just the right pressure and action; not too rough like some girls. I loved it. Next time I'll opt for OWO and sex but I didn't want to interrupt her on this occasion.
