The Premises:

a well hidden basement flat 5 mins from paddington
took me another few mins to find the flat once in the block

The Lady:

5ft 3 oriental lady
30-35 years old but with fairly plump tits

The Story:

well this punt got off to a bad start once i declined the bath she had run. so after this she had quite an attitude for the rest of the hour.

stripped off and she gave me some nice warm head where i came but as soon as i started to cum she pulled away because she didnt want any cum on her, the sex was below par, she was constantly complaining through out the sex which was extremely off putting which stopped me from cumming a second time. she wouldnt shut up so i decided to stop shagging her, but to my amazement she continued to whine! so i asked her to suck me off again for a bit, but now she wanted to do it with a condom on because i had already cum and she didnt want it in her mouth.

the best part of the appointment was when she brang me a beer.

defo will not be seeing this girl again
