The Premises:

Well established walk-up. Up the first flight, and immediately up the next, near-side flat.

The Lady:

Lovely, lovely lady. Early 20?s, slim with a luscious, silky-smooth skin, with an amazingly well-proportioned busty physique. A natural blond with a heart-warming down-to-earth personality, who oozes charisma and charm. This lady is a pure gem and gives such an authentic GF experience.

The Story:

Guys, this girl is the most pure diamond, I have ever experienced to date in my long history of punting. After reading her excellent punts, I decided to see what the hype was about, and damn-it, I wasn?t disappointed. Arrived at the place and had to kick my heels for a while, as this babe is in great demand.

Once inside the bedroom, beauty and sensuality is the only attribute, I can give to this wonderful asset to the trade. A true passionate encounter, which included gentle, realistic cuddling with petting, followed by slow luxurious covered oral. Wanting to glorify in this treat, I asked her to take the reins and the cow-girl that followed was full of energy and graceful, well-felt exquisite manoeuvres. When asked what she liked, she said DP, which I obliged with her on the edge of the bed, legs high and man, did this girl perform.

An astounding realistic, passionate encounter, that will remain with me for many a year to come. I even felt slightly guilty for not offering more cash for this meeting, as I?ve dished out a lot more money for poorer returns. This girl is certainly a class above the types you commonly see in the Soho walk-ups and an intellectually stimulating conversation aftermath action, displayed a young lady, who enjoys her chosen profession and isn?t making ends meet or dabbling in suspicious pastimes.

A truly, remarkable experience. I would pay a lot to visit again and take this girl home with me.
