The Premises:

This flat has been going on for a very long time. Functional and clean.

The Lady:

Relatively tall, about 5ft 8in, slim, size 10 small tits, average looks. Blond - but I don't think real. Not a stunner but quite attractive in that girl next-door kind of way.

The Story:

I finished work late and had to walk to Picadilly for a night bus so decided to try soho for a punt. Went to 41 Frith Street where I have had many good punts. Went to the top floor flat and met Camilla who said she was Spanish. Asked for OWO because I was horny and she said yes for ?50. So she asked me to clean myslef in the wash-basin which I did and then joined her on the bed. Her oral skills are excellent and we did 69 as well. I wanted sex but she said no as I was too big. While like most men this would be flatering, as a mature male I know this is a nonsense. I am above average, but there must be many more guys who are bigger then me. I even offered her another ?50 but she said no. However, while I licked her pussy in 69 she did seem to be small and tight and responded well to my attention of her sex. Not a clock watcher untill the maid knocked, but let me come a little bit into her mouth as she licked my knob while I brought myslef off. She sucked me without very well and I can reccomend her to those who like OWO, we also kissed a bit as well which made the encounter that much more enjoyable.
