The Premises:

Very nice clean apartment with good parking nearby. Respectable safe area.

The Lady:

Tall (5'9") very attractive lady with long blonde hair, in her early to mid 30's. Very large but firm breasts, 'hourglass' figure. Not quite a 'BBW', but certainly well (and nicely!) covered.

The Story:

Won't go into details, but we had a very nice session together, and she was very keen to make sure the encounter went well for both of us.

I had a great time with Lilly, and I'll be seeing her again soon...
