The Premises:

Few minutes from tube. New apartment. On main street. Clean large flats. I went to the first flat, saw the lady there, was not happy. Went to the second flat. Jazz and Ravina were there. Jazz came first, and did not bother to see Ravina (I saw her later, she is stunning as well. Will see her next time)

The Lady:

Her face is cross of Rani Mukherjee and Celina Jeitley! Her voice is close to Rani Mukerjee, but much better than her. These two combinations are huge turn ons for Indians!

She looked gorgeous in Choli Gagra. I felt as if I have come to some Indian wedding and picking up a lady there!

Her neck, ears and hair are too good to feel. Her breasts are of right size, handful and mouthful, but not too big. Her tummy has some scars/ creases, but I don't mind.

He butts are firm, thighs and legs are soft as silk.

I could just spend the whole time just looking at her.

She was not very talkative, but thats OK.

The Story:

I called at about 0500pm. I rang the bell at 0515pm. A female voice told me to go to the first flat. I saw Priyanka, who was not my kind of woman. I went to the second flat. A guy opened the door.

He directed me to a bedroom. Clean room, but only one mirror.

Jazz came in 30 seconds. She is stunningly beautiful. I asked for 1 hr VIP session, gave the money and asked her to come in Indian dress.

In 5 minutes, she came to the room. In the mean time, I could see Ravina too, who is also stunningly beautiful (next time).

Jazz was looking gorgeous in Gagra Choli. She sat on the bed and opened the wine. I sat next to her. Sipped the white wine.

She asked me to lie down on the bed with underwear on. She massaged my back for a while, then I turned. She massaged my thighs, ran her hands on my underwear. In the mean time, I was feeling her legs, thighs, tummy and breasts through her cloths. She slid her hands into my underpants. I slid my hands too.

The bath was not yet ready.

She removed her choli and bra. I was completely naked. I sucked her breasts and nipples. I smelt her neck, I kissed her neck and ears. I felt as if I am making love with my lover during my teen days. I embraced her.

She put condom on my shaft and sucked gently. She was about to put her vagina around my penis, then she realised the condom has fallen down (thank God! Otherwise it would have been unsafe sex). The door knock was heard to tell us the bath was ready. I did not want to have sex before the bath.

We went to the bathroom. It was candlelit. The water was too hot. We had to wait for next 3 minutes to make it cooler. Then I went in, she sat on the edge and played with my shaft. I was pouring water on her breasts. I invited her to join me. She undressed completely now and joined the bath. It was nice. I touched the lips of her vagina. I stroked her clit.

Then we moved back to bedroom. She put condom again and started sucking again. I asked for a toy. She went and brought them. She asked, "can I try one on you?". I was so pleased by this offer (at no extra cost). She put condom on the vibrator, put good lubrication on it, and slowly slid into my arsehole. I was in heaven. I slid another vibrator into her cunt too. She switched on the vibrator. She gave good anal masturbation for next few minutes.

She sat on me in reverse cowgirl watching the anal vibrator. She was fucking me gently with gentle to-and-fro anal toying at the same time. It was great. I was feeling her back and butts. If time factor was not there, I could have carried this act for more time.

She removed the vibrator, and sat cowgirl, and played for some time. She told time is running late. I went to missionary, fucked her. Then I lifted her legs and fucked vigorously and spit inside the condom. Amazing cum, which I was holding for nearly 10 days!

I cleaned with tissue and lied on the bed. Drank the remaining wine, ate chocolates. We chatted for a while.

She started massaging my back, then asked to turn over. She gently started playing with my penis. In next 5 minutes my dick was ready for second action! She sucked my penis (covered) for nearly 5 minutes, and it was one of the amazing blowjob I ever had.

She sat on me, fucked me for next 5 minutes. She told I am nearing my time and I may not be able to cum. Then I went for doggy. She took my penis and put into her vagina. I held her butts first and fucked in rhythm. Then I increased my pace, holding her shoulders. I then become vigorous, hit her hard from back, and cummed for the second time in her wonderful vagina (of course the cum was in the condom).

I was very happy. I thanked her. I took shower. Left with a big smile.

(I hope Jazz reads this, and writes comments to thus post)

Service Provider's Rebuttal

Jazz writes:

Hi Kishore, i'm so glad you had a great time. Even if we never saw much of a wedding with you being so horny seeing me in my Indian outfit! Lol!

It's really nice to read your appreciation of me as well in this report.

I did not know what to say when I first read it!

I always have one eye on the condom, so I would notice it missing but with all the moving around on the bed in my Indian outfit it was bound to fall off. Mmmm that bath tub was very cosy! You seem very open minded, I will see what tricks I can pull out of my hat for you next time! Thank you Kishore for being such a great visitor as well. The time just flew by when we were together.

Hopefully I will see you soon next time you are in London.

Take care, x Jazz x
