### The Story:

This was an unusual punt for me as, on not much more than a whim, I decided on A-levels, which then accounted for the ?40 premium. Karina described it as the ultimate fantasy, and for a lot of guys whose partners won?t countenance it, it probably is.

Started with quick dunk in the tub to scrub the bits and pits. Tender kisses and stroking and so to bed. Straight into 69 which gave me a chance to rim as well. At the other end her oral was gentle and sensual just as I like it. Moved to anal in reverse cowgirl which provides that grandstand view of proceedings. Then switched to anal in doggy facing the mirror to give me better penetration, and from there it was all the way to completion. All in all a brilliant session, starting gently, with lots of KY and building gradually to the climax. I wouldn?t claim to be an expert, or even a huge fan, of this activity, but to my mind this is how it should be done, so that it?s mutually enjoyable. Then perhaps more women would be happy to give it a go and guys would become less obsessed with it.

Finished with a very pleasant chat. Karina is a bright and articulate young woman of approaching thirty. I really enjoyed my time with her, which flew by, and can thoroughly recommend her to others. I?m not often up this way, but would always make time to stop by Intimate, and would more than happily see Karina again were she to be available.
