### The Premises:

As my previous report (97844). An unassuming house on a residential street in lower Sydenham. The room is small, but of a very good standard with music playing softly and a screen mounted high showing the usual type of video. Maids are friendly and hospitable. One girl each day.

### The Lady:

Honney is Brazilian with that lovely, curvaceous, full Brazilian figure. Around 5'5", somewhere in her twenties, she has a brilliant white smile and good looks like a 1940s film star.

### The Story:

My previous report (for which I was thanked profusely) seems to have conjured some business, as I had to wait this time for another punter to finish :-)

We started with some hugs, frottage and caresses (no kisses). Then onto the bed to become better acquainted. On with the frog and Honney demonstrated her impressive oral technique. Really lovely, deep, sensuous and skilful. She climbed aboard and rode me slowly and sensitively, allowing me access to her lovely tanned knockers. What a sight. Eventually finishing in missionary, she didn't eject me, but allowed the sensation to linger while we held each other. Much appreciated.

An agreeable massage brought us up to the full half-hour and the knock at the door.

Thank you Honney. That was a considerate and indulgent session. Really lovely.
