The Premises:

Intimate Massage has a very high standard of comfort and cleanliness, on this occasion marred only slightly by the air-conditioning making it a bit cooler than I like.

The Lady:

Marianne is a very cute little Anglo-Italian, with lots of long black hair, and lovely pert little breasts.

The Story:

Didn't bother with a massage, got straight into the foreplay, to which she was suitably responsive. Did the usual positions, starting with her on top, switching to doggy, 69 (covered) and ending with mish, so I was able to admire that gorgeous little body from all perspectives. If you visit Marianne, have her arrange her hair over her breasts so that the nipples just peep out. An erotic sight to store and treasure!

Afterwards we chatted about places we've visited and meals we've enjoyed. Being three times her age, I've a lot more experience, but she kept her end up well.
