The Premises:

Ego Massage - nice and clean although they really do need to fix those crap showers!

The Lady:

Crystal has been discussed many times! She had a baby three months ago and is conscious of her stretch marks and loose skin. All that is below her massive 30G breasts so did not affect my appreciation of her. She is working hard to trim up but what shines through is her personality and good nature. She's also a pretty 20 year old!

The Story:

As I was her very first commercial punt when she started out at Madam Becky's we know each other well! I had a great soft B2B massage and left very satisfied. We had a good chat re MB (her working), her trip to Oz and then back to the UK to run MB and how difficult that was due to the unreliability of staff!
