The Story:

Been trying to meet Zoe for some time without any luck. Finally made contact and requested white stockings, white lingerie and black high heels, my favourite, which Zoe promised on three occasions during the week leading up to the appt. Arrived very excited. Unfortunately Zoe doesn't presently have white stockings and was actually wearing white socks! So i was a little disappointed on this, however still very pleased with how Zoe looked, very sexy. Started with kissing and stripped off. Zoe was very exciting and very sexy, I havn't felt so horny for some time. Excellent oral without then 69 at which Zoe came, fantastic. Then doggy in front of the mirror when Zoe came again and finally I came in cowgirl. Good chat then more oral. Don't think my cock has ever got so large after already cumming. Finished off by hand. Overall an excellent punt. If Zoe could sort out the lingerie she would be perfect! Highly recommended.
