The Story:

After having to cancel my previous booking with Leah, much to my dismay, I finally got to spend an hour with her today.

Leah's pictures on the IK website show a slim but shapely body which had particularly grabbed my attention, and this, coupled with an endorsement of her beauty from a trusted source (Nikki), my expectations were quite high. Arriving at the penthouse apartment, I rang the bell and waited to see if she would live up to them. I didn't have to wait long, and as the door opened to reveal Leah in a short blue dress, fishnet stockings and skyscraper heels, I could barely contain my delight. This girl is seriously beautiful, with sparkly green eyes, one of the sweetest smiles I have ever seen, and THAT body and THOSE legs.

I was welcomed in and offered a drink. I sat down on the sofa, and Leah came to join me for a 'get-to-know-you' chat. This was soon cut short in favour of some enthusiastic kissing. Leah's lips are soft and full, and she doesn't hold back. I soon noticed that she had a tongue piercing, and started to look forward to what might follow :winktongue: . It wasn't long before Leah was stroking my chest and undoing my belt. I unbuttoned my fly and Leah stroked my already stiff cock before suggesting she run me a shower.

I showered quickly but thoroughly, and when I came out into the bedroom, Leah was waiting in the turquoise basque seen in her profile pictures, as I had requested. We knelt on the bed and kissed some more, then I removed my towel. Leah slowly worked her way down my torso, eventually taking me in her mouth. I couldn't decide which looked nicer - the view in the mirror, or what I saw as I looked down. Her oral technique was soft and sensual, and I had to ask her to slow down, as I felt I was in danger of shooting my load into her mouth way too soon. We lay down together and kissed and fondled each other some more. I slipped down the shoulder straps of the basque and

freed her perky breasts, licking and sucking her nipples. Then I unclipped the suspenders from her stockings while Leah unhooked and removed the basque. Now it was my turn to work my way down her body. I stroked, licked, sucked and also squeezed her peachy bum.

Next, it was time to peel off her knickers. I positioned myself between her thighs and proceeded to lick her lovely sweet pussy, starting slowly and building up, inserting first one, then two fingers as well, continuing until I sensed that Leah had achieved satisfaction.

She returned the favour with more luscious oral, her flicking back behind my balls in exquisite fashion. My cock and balls were given close attention, and once again I had to stop myself from cumming in her mouth.

Leah passed me a condom, which I slipped on carefully. I thought I was going to explode before I could enter her, but then suddenly I felt myself sliding smoothly inside her. Although I didn't last very long, the pleasure of wrapping Leah in my arms and fucking her was intense.

After I had come, Leah cleaned me up gently, then gave me a nice relaxing massage. This ultimately led on to some more tender oral, but unfortunately I was unable to recover in time for a second round. After another shower and more hugs and kisses, I somewhat reluctantly bade Leah farewell and headed back out into the real world.
