### The Premises:

In 1960s block on about 10th floor. Split level apartment and nice enough. shares with another girl

### The Lady:

Small, fatter than picture and no where near as attractive. false boobs which are badly done and she is nearly 40! adn it shows...cellulite on legs unfortunately

### The Story:

Worse punt ever. is a classic thai girl, not japanese at all and is less attractive than the photos and really wasn't very interested in me. Did owo badly and bit of kissing but clearly doesn't enjoy it at all. avoid at all costs.
