The Premises:

City centre flat- very clean, easy to find in the heart of the city. Very tidy, excellent shower, very comfortable place.

The Lady:

Stunning, a really beautiful woman. Her photos are accurate but hide her gorgeous eyes and pretty face.
Casey was wearing a nice dress and looked very classy.
Underneath the underwear was sexy, her figure is exactly what I like- slim, very nice breasts and an awesome little ass.

The Story:

My first time meeting Casey.
I had some problems with my phone but she was very understanding and patient, after arriving she was friendly and talkative and offered a drink and I showered.

Casey is very tactile and was happy to take the lead. We started with some kissing, then onto phenomenal OWO, which got even better when she started to deepthroat.

After a while she got the condom and climbed on top for some energetic cowgirl and reverse cowgirl.
Then onto some missionary- very nice and deep with her legs wrapped tightly around me. Casey on her back with her arms above her head and her legs pulling you in is an incredible sight and sensation.
Next: "What's your favourite?" I don't have a favourite but I had to see her in doggy. Predictable results with her perfect little ass in full view- incredible, deep, energetic thrusts and the stunning visual soon drew me to a shuddering climax.

After we finished we had a nice cuddle and chat then showered together and parted ways.

Casey is a genuinely sexy lady who obviously takes time to present herself perfectly, takes care of her body and really seems to care about giving a good service. I have absolutely no hesitation in recommending her.
