The Story:

I'd noticed Jody when Sheridan's website first came to notice a short while ago and, as a connoisseur of cleavage, thought we might have a vintage offering in Salford which was certainly worthy of investigation.

I'd rang the previous day to arrange a booking, but clearly it's a new and small scale set-up and was told by the receptionist that she would leave a note for today. I was pleased a 45 minute option was available for ?75 - sometimes 30 mins is rushed and an hour is too long.

I know the area where Sheridans is based very well - I'm a Salford lad and I went to school not far from there. However, when I got there I was nonplussed and couldn't find it. Suffice to say for new visitors, turn right into Lissadel Street from Cromwell Road and the car park is immediately on your right opposite a garage workshop. You have to ring reception for the receptionist to emerge from behind a locked gate. This was a problem for me because the car park is a L shape and I'd parked out of sight of her round the corner. It was all a bit Treasure Hunt for a minute or so until I located her (by walking round the corner!).

Sheridans is an industrial unit converted into a parlour. It is new and clean and modern, though the shower wasn't en suite but across a small corridor.

I met Jody and I was delighted by her. She has long dark hair and is prettier than I'd hoped - a look of Vicki Michelle from Allo Allo combined with a figure like Kitten Natividad from the Russ Meyer's movies. She is much much younger than both these ladies, though maybe a little older than the website description. The boobs are awesome ? large and full and completely natural. She was wearing a sexy black body stocking and heels.

We started with some gentle kissing as we stood up and as I hardened she ground my cock between her legs. She asked me what I liked and told me she did anything but anal, so I volunteered to go down on her as a way to introduce myself. After a number of pleasurable moans and a dripping wet pussy, she gave me oral w/o, using those tremendous boobs to great effect on my stiff cock as she came up my body to kiss me. She then wanted to fuck, so condom on and she rode me ? she comes through penetration and after some frantic grinding Jody appeared to have a pleasurable orgasm. There we moved to doggie and mish. I asked her about outfits ? I have a thing for short, tight leather skirts and tight tops and thigh boots. Jody sprang up and came back a minute later in a pair of excellent thigh boots. Not long after I was gushing more than the Louisiana oil spill.

A lovely, sexy lady in a parlour that, despite its location (and strange entrance arrangements) deserves to succeed. I will definitely see this delightful and very sexy woman again.

I highly recommend Jody.
