The Premises:

the second worst walk in in soho, a grubby carpet, soft porn pictures on the walls (probably to hide broken plaster) & a broken chair to put my clothes on. the WG deserved better than this! at least the bedding looked clean?

The Lady:

ellie was a 5'7" blonde east european, with a great body & the softest bum i've so far groped. she spoke good english (though very quietly).

The Story:

standard fare of blow job, followed by mish, both excellent & a great wrist job to finish.
