The Premises:

The establishment is hard to find, so be sure to obtain instructions or take a GPS! Plenty of parking. The building isn't much to look at, but the interior is clean and well decorated, with the smell of soapsuds and a lounge that's bright and comfy. The rooms are clean and well equipped. There is no madame, the girls work the place for themselves, therefore no phone response is available at busy times, and sometimes the door buzzer is ignored (I found it necessary to come back later). Inside, a welcome from whichever girl is not 'busy?', and a cup of tea and introductions (two girls). I chose Chanel.

The Lady:

Chanel is best described as a bubbly blonde, very warm and friendly, very communicative. She is on the short side, twenty-something, a curvy figure with long honey-blonde hair cascading down her back. Breasts natural, not huge but nicely pear-shaped, very lovely and by the way used skilfully during body massage.

The Story:

We began with a talc massage, whilst she told me her very interesting and poignant life story. Then some delightful GFE including body kissing and real tenderness. We proceeded to OWO, which lasted a long time, and then some delicious 69 action. Finally, she came on top in cowgirl mode and rode hard and wild. She's very vocal. A sweet and loveable northern lass, to be sure. Highly recommended.
