The Premises:

Block of flats. Clean but small and cramped with nowhere except the bed to sit and chat at start (a pet preference of mine).

The Lady:

As per pictures/description. Boobs on the small side for my taste but as advertised. Tall, willowy.

The Story:

Very gentle and responsive to my every request (not too demanding at my age). She offers far more services than I require. Enjoyed and appreciated the wine I brought. Excellent oral to completion to finish - I unloaded the lot. Will probably not visit again but only because there is so much mature choice out there to explore, some of it less expensive.
