The Premises:

Complete house with large reception room. Bedroom was large with high ceilings - classy. But nowhere to sit & chat except the bed. Very clean with good bath/shower.

The Lady:

As per pictures/description, possibly a bit too slender for my taste. Very slim with beautiful large soft boobs and responsive nipples. Skin as smooth as silk.

The Story:

I have been wanting to see Natasha for years but she keeps on moving around (Guilford/Woking, Milton Keynes etc). Finally she has made it to London on Fridays. See other FRs as well - all most complementary. Was shown into bedroom and left to wait a while - time which was not deducted from the 45 mins.

She is GORGEOUS! My requirements are simple and she met them with charm, grace and enthusiasm. Those boobs are a joy to fondle, suck (red wine dripped on to erect nipples and sucked was delicious) and tit-fuck. Lots of oral both ways culminating in her wanking herself while I wanked into her mouth. Enormous unload left my balls drained.

She is outstanding VFM and IMHO worth up to 200/hr.
