The Story:

After some confusion over timings I finally got to visit Cindy in her flat. My god it was worth the wait, she is gorgeous and this was the most GFE I have ever had. She is fairly new but very willing. Cindy is in no way a clock watcher and we had a very relaxing massage and shower together before we went back to the bedroom. She responds amazingly well to being licked and for the first time with a girl my tongue wandered to her rosebud (you won't be able to resist either it is a peach of a bum) All in all the best visit I have ever had!
