### The Premises:

Nice place in a nice area

### The Lady:

Nice enough in a warmed-over way, but a far cry from the pictures on the website - I would say at least 5 years and 10 pounds added. I guess I should have walked away when she met me wrapped in some kind of shapeless sheet - there wasn't anything interesting to reveal.

### The Story:

The most expensive hand-job I have ever had! She would neither kiss (even without tongue), do OWO (although this had been explicitly guaranteed by the agency), nor have sex (complained I was too big for her...). And the agency describe her as 'satisfaction guaranteed'...
