The Premises:

Nice well presented soho walkup. Lots of security cameras, felt safe. Inside clean and cosy.

The Lady:

very beautiful brazilian woman, with large breasts and curvy booty. Her body is quintessentially brazilian - small waist with perfect curves into her booty.

The Story:

Jessica is very friendly and attentive. She knows exactly what she is doing and takes her time doing it. She was happy for me to put my hands all over her.

She started giving me hugs and kissing me intimately, sending shivers on anticipation all around my body. After slipping on a condom, she gave me excellent oral with varying speeds and depths. She then rode me cowgirl, her pussy was warm and tight, and she encourage me to suck her boobs as we did so.

We then did doggy for a while and viewing her bum from this angle was truely amazing. So damn perfectly round, voluptuous yet firm with enough give to ripple as I pounded it. I could not hold on long in this position with that view and finally blew my load with one of the best orgasms ive ever had.

She gave me a massage and chatted afterwards and I can only recommend this woman.
