The Story:

2 young girls a fantasy come true. Dressed as schoolgirls as requested.

Started strip in lounge then moved to bedroom. Plenty of proper kissing and foreplay. Had Isabelle before so concentrated on Brooke. Edge of bed, me on knees licking her out. She moaned alot and enjoyed it.

Then I lay back as Brooke did incredible tantalising slow licking round head of cock which kept twitching to attention. Isabelle carressed and stroked/licked my balls.

Then Brooke slid on top of me until I changed position. Me standing her on edge of bed. Very slow in and out. Finished with doggy and then swapped over to have Isabelle doggy. Came in Isabelle. Both gorgeous girls. What can I say? What older man doesn't want sex with 2 lovely 18 year olds. Do yourselves a favour you men reading this. I've done a fair bit of this kind of stuff and this as as good as it gets for proper GFE.

Go for it.
