The Premises:

Cosy building on the edge of car park behind main high street. Felt safe, and inside everything was set out to make you feel comfortable

The Lady:

Very pretty lady, now wearing long hair (not the short hairstyle per website). Either way, she is gorgeous. Slim physique, but sexy with it.

The Story:

Nina was running a bit late, so had to wait 10 minutes. Young blonde lady led me upstairs. Truly a great sight to follow such a lovely rear up the stairway, and I wondered if I could change the booking. In fact this was Nina with her new longer hair. Went for 1 hr with body to body. Menu is confusing as also has option for naturist which is the same thing. All options are ?10. Her massage technique is amazing, and all aches and tensions were relieved. She gently rubbed against me indicating that touching is allowed. After a great back and leg massage, turned over and she got on top to do the front, before gently moving down for the happy ending. Even tailed off the session with a relaxing 5 minute massage. Left feeling on top of the world. Highly recommended!!
