### The Premises:

My Place

### The Lady:

The site says 42. but on looks and figure I would happily have taken several years off that. A very trim, good looking blonde lady. "My lucky day" was the thought as I opened the door.

### The Story:

A delightful hour with an intelligent woman with a distinctly wicked streak.

A bit of a chat and into some sofa games then to "somewhere more comfortable".

Susanna knows her way round the male bod and found those places. Gave every appearance of enjoying my explorations and very generous and uninhibited in the main event.

Absolutely want to go round again.
