The Story:

She was running a little late, but Emma was so sweet and charming it really didn't matter to me. I asked for a roleplay scene and she fulfilled it perfectly - clearly enjoys her work. The price I paid included some extras which I maybe didn't need, but well worth every penny. Plenty of spanking and light/moderate flogger, a few harder strokes, bondage/blindfold, and a lovely finish across her beautiful chest. Trying to think of a negative comment to make....no, can't find one.
