The Premises:

Brooke's flat is clean and tidy in a safe area of Milton Keynes, and easy to locate. No problem with parking - I parked outside the flat, and the entrance is very discreet.

The Lady:

Brooke is drop dead gorgeous, with a beautiful firm figure, pretty face, and long legs. But more than that, she is a delightful, bubbly, friendly girl, who obviously enjoys her work. She worked in Milton Keynes 2 years ago, and her return should be greeted with delight by all discerning punters!

The Story:

We'd agreed in advance on a role play with Brooke playing a sex therapist, helping me to restore my jaded libido - I know it's a bit hackneyed, but it works for me! She was dressed in her massage uniform, and played her part to perfection, and persuaded me to have a massage (what a pushover!), followed by lots of kissing and superb oral without. Brooke does not offer full sex, and I prefer her restricted repertoire. She knows her limits and sticks to them, but within those limits, she is passionate and extremely sexy - I will return soon for another therapy session, and I can't recommend her highly enough....
