The Story:

I took a chance by booking into Daniellas at 7pm for an after work punt and was handsomely rewarded with a mad, crazy, shagfest of a session.

Amy arrived in a slutty school girl outfit and was straight into character role play starting off with ?I've been naughty sir and need a good hard spanking!? You can see how the session went!

I started off by spanking Amy. Initially I was sure how hard, but she wanted it really, really hard. Later she said that she was really into the spanking scene and could cum by just being spanked, directed me to a few websites too. So a bit of spanking, I then moved onto caressing her pussy and body and had some kissing.

Next was a second round of spanking only this time she wanted me to use my belt and make her ass red. This then moved on to me telling her to show me how good her bj technique was and she proceeded to give me good owo head while on her knees at the edge of the bed.

This led into a 69 on the bed proper. This lasted some time, we then swapped round and I continued to give her RO. Then into the first of the sex sessions, I took her doggy and pounded her for a while, and also continued to slap her ass while she writhed around with enthusiasm.

I pulled out and went into a second session of spanking her ass and playing with her pussy. This was followed but her sucking my cock again (OWO) (condom off, we went through 3 condoms in the session). This was good and deep and she did well to accommodate me as I went into a deep throating session.

A new condom on a she straddled me in reverse cow girl for some time. Then off again into and another spanking session followed by taking her again standing up and lent over the side table with the mirror in front.

After this the condom was off again for more cock and ball sucking with hand relief and then back on the bed for the final sex session in doggy once more for more rampant sex, again much spanking was included.

I finally shot my load onto her in the only place that it could be: her bright red ass! Even then she still wanted more spanking with both belt and hand.

Over all this was a phenomenal session where I had my brains shagged out and learnt the joys of spanking, she even spanked me after the shower. She played the naughty slutty school girl to perfection and seemed to get off on it herself.
