### Details of Service Provider:

### The Premises:

Typical walkup with spiral staircase up to 2 floors. Lucy was on the top floor. The top flat is on two levels , the bedroom situated on the 2nd level and comparatively large with ensuite toilet.

### The Lady:

Pretty slim tanned 20 year old romanian brunnette , long slim legs and nice handful sized breasts.

### The Story:

Lucy greeted me wearing a thong and small red top tied around her mid-drift, no bra , breasts hanging nicely against the material. Thought "very nice" to myself and quickly parted with my cash in return for sex and oral thinking "bargain".

Lead upstairs to the large bedroom and got naked. Lucy looked nice, her bum cheeks nicely round , plump and smooth. Her breasts also plump, soft and plyable with large nipples.

Laid together on the bed stroking her young smooth skin as she prepared , then on with the condom and lowered herself to give me a nice blowjob with good variation and a committed attitude. Did not seem to mind as i arranged her hair for a better view, slowing adding more pressure and pumping her head vigorously until ready for sex.

Into missionary and found her pussy to be nicely tight and warm. Lucy was fairly quiet throughout but smiled nicely as i fucked her. During the action she felt lovely as our skin brushed together her large nipples now standing up fully erect and her hair smelt fresh as our cheeks touched. Tried to hold on but eventually overwhelmed by a satisfying orgasm.

Recommended for a good experience with genuinely young sexy girl. May return but with so many other regulars and gorgeous newcomers probably not as although a lovely encounter just seemed a little too distant from proceedings.
