The Premises:

This day Sophie was using a room in the annexe of a hotel in Harrow. Very discrete no need to go through reception. Good size clean room with double bed.

The Lady:

Sophie is young, early twenties, a Hungarian girl but who speaks perfect English. Tall, well proportioned with blonde hair and lovely firm natural breasts.

The Story:

Sophie meet me at the front and lead me up to her room. Dressed in a shirt and long checked tailored shorts she looked just like an girl from an office or next door.

Underneath was a nice bra and pants and natural coloured hold ups which added to the girl next door look.

I was soon licking her sweet shaven pussy and playing with her. We started with her on top which did not last long as she looked so sexy. After a chat Sophie gave a nice session of OWO and then lubed up and bent over for me to slip into her lovely bum where I soon came but very enjoyable.

We finished off with a little bit of a cuddle and more chat before I got ready to go. There was no clock watching and everything was very relaxed and pleasant even though I am a middle aged man, she is very obliging. I hope to get to see her again the next time I can get out the office and up to North West London. She is excellent value for money and well worth a visit.
