### The Premises:

Easy to get to with plenty of parking nearby (its in a car park!). Discreet enough, as building is marked as 'Old Coach House' and looks like an accountant's office or something like that from the outside. Inside its certainly the poshest massage only place I've been to in the UK, very comfortable and clean.

### The Lady:

Probably later 30s, short blonde hair, good body, boobs of a good size to play with. Very friendly.

### The Story:

Very good - massage for an hour is ?75, plus B2B for ?10 and assisted shower for an extra ?10. All the paying done at the start so no haggling for extras later. Started with an assisted shower with Tayla rubbing some salts into my back, and front, then onto a good back massage. Then with a front massage and plenty of teasing all the way through. Ended with fantastic B2B and plenty of opportunity to touch her boobs and lovely pussy. A really pleasurable experience.
