The Premises:

It was safe and clean. A very short distance from Marylebone tube station, no need to take the car.

The Lady:

She's indeed a very sweet girl, eager to please and fantastic to be with. Her body is fantastic, her breasts, enhanced, but very nice.

The Story:

She seemed to be very comfortable with me, i can say for sure that she had an orgasm when i played with her pussy and i can also say that the blow job she gave me was absolutely good. She was extremely nice during sex too, although she doesn't offer anal, i really liked to shag her, we changed many positions and she was better and better every time. It took me too long to write this FR but i do have other things to do in my life. I shall recommend her.
